### 7 DAYS EAST TOUR TO SAINT MARIE ISLAND

#### TOUR OVERVIEW.

8 Days traveling to the East of Madagascar with Friendly Private local Tour Guide is a complete tour of all the highlights of Madagascar and its beautiful lush landscapes and more. We will start from the tropical forest of Andasibe to see more than 6 species of lemurs, the rarest plants, many species of reptiles, amphibians ... this exceptional nature can be explored on foot between waterfalls, rivers and tropical forests. From Tamatave, the paradise beach of Foulpointe village will welcome us. Here you will visit Manda Fort and learn this museum story. We will cross by Motorboat on the Indian Ocean from Mahambo for 4hrs to a charming island of Saint Marie with beautiful white sandy beaches and deep blue waters, where you can visit the **whales**, relax on the beach, or enjoy sea activities. The humpback whales passing from mid-June to September make it even more attractive.

#### TOUR HIGHLIGHTS.

- ✓ You will see the most highlight of the East coast.
- ✓ Visit Andasibe Rain Forest National Park
- ✓ You will see more than 12 species of lemur (day & night active)
- ✓ Have contact with lemur species at Vakona reserve
- ✓ Discover the endemic Plants and Fauna & Flore
- ✓ Be with the nature at Paradise Palmarium Hotel.
- ✓ Enjoy the local culture and landscape on Pangalane canal
- ✓ Discover the Paradise island of Saint Marie with its nice beach.

#### FLEXIBLE ITINERARY:

##### Day1: **ARRIVAL MEET – ANTANANARIVO**

Pick-up from the airport and drive to the hotel in the center of Antananarivo.

-We can start directly the tour if arrive in the morning or 6hrs before the sunset.

Overnight at Maison Lovasoa Hotel with breakfast.

##### Day2: **ANTANANARIVO – ANDASIBE PERINET.**

After your enjoyable breakfast.

Take a 4 hours' drive from east of Antananarivo to Andasibe Park following national road N°2 with your friendly private guide and the driver.

– Stop at Mandraka Park where you can spot the endemic reptiles (Chameleon, Frogs, geckos, bats, snakes).

-Check-in to the hotel and be ready for the night walk.

**6:00 pm** -Spot the nocturnal animals during a night walk, such as the biggest chameleon in the world, night active lemurs, snakes and more.

Overnight at **Lemur's Lodge** Hotel with breakfast.

Day 3: **VISIT ANALAMAZAOTRA PARK -VAKONA RESERVE**

After your morning breakfast.

We will explore Andasibe Mantadia National Park with your local guide. Spot different species of lemurs and wild birds including the “flying-catcher”, the Bleu vanga, Coua bird, and even the Helmet Blue Vanga. You will see various trees such as the “Palissandre” tree and the “Ebony” tree.

**2:00 Pm-** Venture through the private reserve of “Vakona” in the afternoon where we will see other animals such as foxes and crocodiles.

The rest of the day at your leisure after visiting the village of Andasibe.

Overnight stay at the same hotel.

Day 4: – **ANDASIBE VILLAGE – FOULPOINT VILLAGE** [7hrs drive]

**7:00 Am** -Continue your journey to the beautiful village of Foulpointe with stop on route for lunch.

See the hypnotizing green landscape with the “Ravinala”, which is unique to the East coast of Madagascar. Stop at Tamatave (locally known as Toamasina). This region is famous because it is the first and biggest commercial port in Madagascar. Continue the drive with spectacular views of the Indian Ocean to our final destination for the day- Foulpointe village.

Foulpointe is known for its calm sea surrounded by a naturally long wall of coral.

-Check-in at the hotel and if possible, do sea activity or visit the Museum called Manda Fort to learn more about the royal story.

Overnight stay La **Cigale Hotel** with breakfast.

Day5: **FOULPOINT VILLAGE – MAHAMBO VILLAGE– SAINT MARIE**

Morning breakfast from the Restaurant.

Drive for 2hrs from Foulpointe and will arrive at the small port town called Mahambo, where we will catch a boat that will transport us to the majestic island of Sainte Marie for 4 hours cross on the Indian Ocean.

Night at **Lakana** Hotel with breakfast.

Day 6: **SAINT MARIE ISLAND**

Today is at your leisure to discover this island at your choice.

Here you will find many interesting and historical places such as pirates’ tomb cemetery, a natural swimming pool located north of the island, and also **Ile-aux-Nattes** and **Ilot-Madame**, which are two small Islands located south of Sainte Marie. The hotel offers various optional activities for its guests such as snorkeling, kayaking, whale watching safari, fishing and more.

Overnight stay at the same Hotel.

Day 7: **SAINT MARIE ISLAND – FLY –ANTANANARIVO - HOME**

Take a 45-minute flight from Sainte Marie to Antananarivo.

Today, depends on your flight departure to Home. Pick you again from the Airport to discover Antananarivo I still have time/or your flight is at night.
